***“Knowing Justice in the Anthropocene”*** by ISA Forum of Sociology

In Rabat, Morocco 6-11 July 2025 the [ISA Forum of Sociology](#) ***“Knowing Justice in the Anthropocene”*** will take place and currently welcomes proposals Climate Change that explore topics related to religion and social justice in the context of rapid and planet-wide environmental changes. This is the first ISA Forum to be held in the region and specifically in a country that is known for being at the crossroads of civilizations spanning the Mediterranean, the Middle East and Africa.

Deadline July 1. Learn more [here](#)

***Transitions, Transformations and Transdisciplinarity: Histories beyond History*** by the Fourth World Congress of Environmental History (WCEH2024).

With the theme **“Transitions, Transformations and Transdisciplinarity: Histories beyond History”**, WCEH2024 will illuminate the value of historical understandings that go far beyond the discipline of history in treating environmental scholarship as an evolving practice, one that is created in conversation across multiple fields, concerns, and communities – and one that can help strategize the core challenges of transitions that lie ahead. The hybrid format allows participants to attend either online or in person, at the [University of Oulu, Finland](#). This very interesting event will be held from **19 to 23 August, 2024**.

Register by the by **July 22 2024**. Learn more [here](#)
